st. Nowadays museums draw on people more frequently. That is why I've decided to collect some information about visits to such places in England.

Analysing the chart we can notice an increasing number of visits to introduced museums apart from Natural History Museum and Science Museum. Either British Museum or National Gallery attract the most people. It can be caused by popular interest in national values and culture. Also, it appears

st. that visitors are becoming less fond of natural history and science, judging by the data.

If we look closely, we can see that Tate Gallery was less popular than National Gallery during all years reflected in the

gr. chart. Compare Natural History Museum with Science Museum well.

lex. see that the first one had less attenders in 2013, while in 2017 the situation has changed. st.

gr. Looking at this chart I'd st. like to recommend you some solutions. First of all, the museum should draw attention, so advertisement could be helpful for this aim. Also, you can organise interesting exhibitions to rise the attendance

pun.
