Your dream - town

Have you ever imagined yourself in a fairy tale? If so, my town is the best choice for you to visit. Birabidzhan will turn your dreams into reality.

*Places of interest*, Everyone loves adventures and in Birabidzhan you can visit "The Universe".

You will be offered a virtual trip to the moon where you can talk to aliens and even plant the carrots. *Where to eat*, If you are hungry, you should visit the central cafe where you can taste our local cuisine and enjoy the atmosphere. And the most striking option of our cafe is the robotics catering. Isn't it amazing?

You can also try our new invention - integrated activity when you are doing sports and eating at the same time (I won't tell the details - you should try it on your own).

*How to spend free time*, If you are interested in computerizing, you should visit our IT centre where the youth spend all free time: they design their own model of software and then create it. You can go there by a special vehicle called "The Fly".

*A special vehicle*, It is named so because of its little size and fast speed.

"What to look at."

Being in Broabidzhan, visit our famous millennium tree. It is a good tradition to toss the coin next to it, because, according to the belief, you'll be followed by a good luck after that. (I know it is an absolutely strange).

"Where to work and study"

Also, you can enter the University of agriculture and work there.

So let your dreams come true and visit Broabidzhan!
