Experience Jewish Folklore in Virtual reality:

- Introduction
- Ways to get there
- First goal - national dishes
- Where to study?
- Free time with profit!
- Conclusion

Times have changed, and so has Russia. Now, fully integrated, towns work together to build a stable society, and so their main goal is education. Learn the history of a small town named Birobidzhan, the capital of the Jewish Autonomous Area.

How to get there, you may ask? People in Russia travel by a modern speedtrain, which gives you the opportunity to catch and go thousands miles in a few hours.

Once arrived, your first goal should be the cuisine! Many Jewish restaurants give you a chance to try food Jewish people have been eating for centuries.

This done, have a look at our universities! They both are fully equipped and have all sorts of gadgets to help you study. The constantly updated software makes them always stay modern and ready to explore science.

Now let's get to our main dish! How to spend your free time, you ask? Birobidzhan has two so-called Jewish centers which provide you educational programmes: learn the history of the town itself or the history of the Jewish folk! How? Just put on your VR glasses and enjoy your excursion to the past.

The guidebook author hopes that now you are thrilled to visit this wonderful town. Stay educated, and have fun in Birobidzhan!
