## ANSWER SHEET

ID number

A - 5

## Eco-town.

## • Feelings which you need.

Have you ever seen a town that lives in harmony with nature? Birobidzhan is one of them. It has become an eco-friendly town for recent 50 years. All vehicle and factories use fuel and materials which are safe for us and environment. These <sup>have</sup>changings made our town a wonderful place to live in. The air is so clear that you just want to walk in streets all day! And the snow in winter is the whitest one that you can find! Birobidzhan integrated with eco-technologies is the best town to visit with family. You want find such unbelievable things in big cities!

## • A life in Birobidzhan.

There are a lot of activities in our town due to different seasons of year. You can go skiing, skating and do different sports in winter and in summer too! Birobidzhan is a city with the high level of culture. You can visit a lot of museums and clubs where you can join events and arts competitions, cafes. People still have a lot of work to do. Ecologists and engineers are trying to write software for robots which will clean our river Bira. We all are united with the aim to make our town even more eco-friendly, cleaner, obscure nice place to live. It is really popular among students to study physics and IT because it helps them to improve ecology. We eat clean products and breathe fresh air, join us!
